The yachts that we use are equipped to meet the coding standards of the RYA (Royal Yachting Association) and the MCA (Maritime & Coastguard Agency). They are inspected annually by the RYA and are checked and maintained on a regular basis by a representative of Dream or Two Ltd.

The safety of all persons on board our yachts is of paramount importance and all safety equipment required is supplied as part of any fee paid. Safety equipment is tested and independently serviced by outside maritime safety organisations.

Safety briefs and continuous supervision of safety are carried out by the RYA Instructor/skipper of each course or sailing trip.

All incidents, accidents and near misses are recorded and reported to ensure that control measures are adequate to reduce or remove risk.
